

2015 Collection

KETTLE

Welcome to the 2015 Collection

The 2015 collection has something for everyone – new designs, new styles and some great additions to existing favourites. The recent introduction of Casual Dining has been hugely popular. So, whether you are looking for traditional or modern, stylish metal or warm wicker, you'll be sure to find the perfect combination for your indoor or outdoor space.

Metal

The UK's favourite steel mesh range is the result of more than twenty years experience. Each piece is made with pride using only the best materials and workmanship. Plus, you'll discover the biggest range of chairs, tables and accessories so that you can mix and match to create your perfect grouping. And it doesn't stop there – choose from a selection of tailored cushions and parasols in 5 colourways. The choice is all yours.

Urbano

Urbano offers something different. Bold colours, innovative designs and unique combinations. Plus, some exciting new materials that further enhance our reputation for quality and innovation. With tough weatherproof polymers and textilene cushions it certainly is a range made for all seasons. This modern range has something for every outdoor space whether it's a balcony, roof terrace, courtyard or a sunny patio. Check out the choice of chairs, tables and cushions.

Casual Dining

A relatively new concept to the UK, Casual Dining originated in Australia where they know a thing or two about outdoor living. This new idea is a fusion of lounge and dining in one unique set making it incredibly versatile and great value for money. A touch of luxury offering relaxed seating and dining in one. Perfect for indoor and outdoor use. Available in wicker or metal it could change the way you use your garden forever.

Wicker

Our weatherproof wicker will give your garden a warm sumptuous feel. Each product is hand woven and comes complete with deep cushions ensuring you get maximum comfort whether you are dining or relaxing. A selection of chairs, tables and lounge sets in three colour options means you are sure to find the perfect combination.

Only the best materials and craftsmanship

On the following pages you will find the renowned Kettler Garden Furniture and a host of ideas to help you get the most from your garden or conservatory. It doesn't matter whether you have a classic country garden or a contemporary setting, you are sure to find the perfect solution for dining and relaxing.

Combining the traditional and the modern, we use only tried and tested manufacturing methods, years of experience, and the finest materials to deliver a quality that is simply unrivalled.

Each piece of furniture is constructed using high quality materials and manufacturing processes, many of which are unique and exclusive to Kettler. For example, the HIP table tops give an authentic granite look in a new, lightweight and weatherproof material. The Infitree table tops offer an alternative to wood yet will keep its looks year after year. Our high quality wicker is fully UV stabilised and weatherproof so can be left outdoors all year round. The wicker is hand woven onto a fully weatherproof, quality aluminium frame.

Create your own garden setting by selecting from our extensive mix and match range.

Warranty

We are so confident in our products that all Kettler furniture is backed by a comprehensive warranty.

Every steel product is treated with our unique Thermoguard+ process. This process has been developed over many years, and provides excellent physical, mechanical and chemical properties. In short, it offers the best weather protection available and is only found on Kettler products. It provides a complete anti-rust treatment, ensuring lasting good looks year after year and backed by a comprehensive 5 YEAR anti-rust warranty. Each piece is made to live outdoors, whatever the weather.

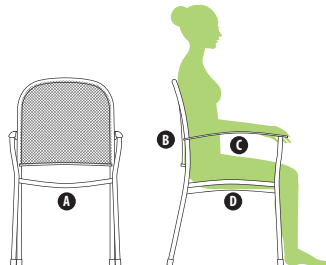

Our wicker products are all covered by a 3 YEAR warranty, both materials and workmanship, so you can buy with complete confidence.

Please refer to our website for full details of the warranty conditions:

Comfort

All our products are designed with comfort in mind. We take your comfort very seriously, so each chair is tested to ensure it provides the best possible position whether you are dining or relaxing.

So make the most of your garden with the Kettler collection. We hope you find some inspiration.

Curves in all the right places!

Wicker

Our high quality wicker is fully UV stabilised and weatherproof so can be left outdoors all year round. The resin wicker is hand woven onto a quality aluminium frame.

Steel Mesh

Absolutely weatherproof and wonderfully low maintenance.

Lattice Tables

Our distinctive lattice table tops are made from aluminium and are totally weatherproof.

HIP Tables

Fully weatherproof composite top with granite effect finish.

Resin & Textilene

Resin & Textilene are not only extremely strong but also lightweight. They are UV resistant so won't fade in the sun and also weatherproof.

Infitree

Infitree is maintenance free with a beautiful wood appearance. Best of all, it's made with recycled material and comes with a 10 year warranty.
